

In the specification:

Page 8, lines 19-20, delete the words "FIG. 5 (which consists of FIG. 5a and FIG. 5b) is a block diagram" and replace them with the words --FIGS. 5a and 5b are block diagrams--.

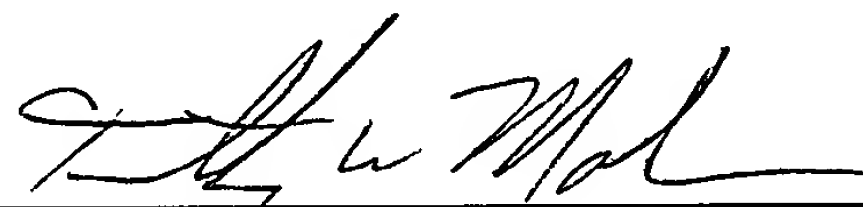

REMARKS

In the now abandoned parent case, Serial No. 07/917,503, an Office Action mailed 9/13/93 requested correction to the drawings relating to FIG. 5. Pursuant to that amendment, the drawings were labeled FIGS. 5a and 5b while the specification only referred to them as FIG. 5. The amendment filed in response to the Office Action was incomplete. The amendment modified only FIG. 5a without correcting FIG. 5b. This amendment is being submitted to correct the specification to indicate FIGS. 5a and 5b.

The Examiner is invited to contact the undersigned by telephone or facsimile if the Examiner believes that such a communication would advance the prosecution of the present patent application.

RESPECTFULLY SUBMITTED,
Bowles et al.
